INVITE

WHAT IS LASER QUEST?

The ultimate sci-fi action adventure for all ages. Whether you're 6 or 66, you'll love the adrenaline-pumping exhilaration of stalking your opponents and unleashing a searing volley of laser fire in the battlezone of the 21st century. This is no video game: this is for real.

PLAYTIME

We provide full briefings and all equipment you need. Each player is kitted out with a futuristic body pack and carries a laser. Each game is played out in the Laser Quest labyrinth, with catwalks, mazes, swirling fog, music and lights. You score points when you zap your opponents but lose points when they zap you.

RESPECT

Please observe the game's safety rules outlined during the briefing. We advise dark, comfortable clothes and flat shoes with a sole that grips.

PREPARE TO PARTY.
